Digital marketing agency los angeles

1 The Naming Group is a Nomenclature agency based in Los Angeles, Calif. The agency has fewer than 5 employees and was founded in 2009. Notable project The Name Group helped a creative agency develop an appropriate brand and name strategy. The new name strengthened the company's appeal to a particular demographic. Not only is our name unique, evocative and memorable, we have exclusive property for all social media handlers and even the incredibly rare dot-com domain. Creating a name that meets all those requirements in the startup space is extremely difficult. - Creative Director, Creative Agency Former Customers General Motors Capital One Mercedes-Benz Gap Based on your budget, timeline and specifications we can help you build a list of companies that perfectly suits your project needs. Schedule a free consultation with a manifest analyst. 2 FINIEN is a branding and marketing agency based in Long Beach, Calif. Founded in 2013, the small team of 2 specializes in branding, logo and marketing strategy. They work mainly with small businesses. Notable Project FINIEN provided branding services for an underwear startup. They designed and delivered a branding plan that included a logo, name, positioning, brand personality and landing page. The client was impressed with the positive feedback and coverage that the project received. We have received many positive feedback about our brand and design from customers, journalists, social media experts and designers. Although our brand is young, we have been recognized throughout the country, partly because of the branding work FINIEN delivered. - CEO, Undergarment Startup Former customers Warner Brothers City of Los Angeles USC Starwood Properties Awards American Graphic Design Award (2016, 2017), WOLDA (2017) 3 Trixmedia is a digital marketing and web design agency in Beverly Hills, Calif. Since its founding in 2003, the agency has specialized in web design, web development and branding. The remarkable Trixmedia Project designed multiple websites for a health therapy company. Along with the websites, they provided design marketing warranties, including brochures and logo design. The customer now relies on Trixmedia for all marketing projects. [Trixmedia] is great at communicating and giving design advice, while being aware of our concerns. They are certainly creative and able to do things fast. - SVP, Health Therapy Company Former clients Hilton Norman Buckley Coca-Cola Paris Bloom 4 Sid Lee is a creative agency based in Montreal. It has expanded to offices in Paris, Toronto and Culver City, California since its inception in 1993. Sid Lee employs 796 professionals who provide web design, social media marketing, digital strategy, advertising and small, medium and large enterprises alike. Former Customers Awards 2016 Agency of the Year - Digi Awards 5 Founded in 2015, the niftic agency is headquartered in Washington DC, and has a salt Lake City, Utah. The niftic agency team of about 5 employees focuses on web design, web development and custom software development. The client appreciated the technical expertise and innovative solutions of the niftic agency. The remarkable niftic Project agency was hired by an international trade agency that needed custom software to improve its ability to manage the backend of multi-brand websites. niftic agency also developed a chatbot that could automatically examine potential customers, helping the customer manage their high volume of incoming marketing. They are more engineering-based and utility-based, which we like because it gives us an honest reading about them. It also means that when a product goes wrong, what everyone does in some way, they will handle it well. That's what we care about. - CEO, International Trade Agency Former clients The North Face International Rescue Committee Lexus Subaru 6 Column Five is a creative agency founded in 2009. They are headquartered in Irvine, California, and have an office in Brooklyn, N.Y. Its 57-person team provides content marketing, public relations, and video production services to its customers in the advertising and marketing and business services industries. Notable Project Column Five designed a full-service campaign to market an update for a popular web browser. They built a site and conducted SEM, email marketing and social media marketing to boost campaign awareness. His efforts brought positive impressions for the commonly ridiculed browser, which earn customer praise. One of the things that makes them as strong as an agency is the fact that they pride themselves on being led by the client. They're an extension of your team. There's no ego or attitude in the way they work. - Creative Technologist, Web Browser Former clients Microsoft A&P; Nike LinkedIn 7 Marketing and advertising agency L+R is located in Brooklyn, New York, with a second office in Barcelona. Since 2012, its team of 25 has specialized in mobile app development, UX/UI design, branding and more. Notable project An investment company hired L+R to create a unique logo and design a website. They also helped with some branding services. The customer was impressed that L+R took the time to know the values of his company. We have received a lot of good feedback about the logo and website. We loved working with L+R. We thought they did an amazing job. - Co-Founder, Investment Firm Former Customers Amazon T-Mobile Unilever GE 8 Founded in 2009, Mistress is a full-service advertising agency based in Santa Monica, California with experience in the sports, beverage and entertainment industries. The develop brand and content strategies, help companies create an audience, and create content. Notable Project An entertainment company wanted to differentiate and increase brand awareness for consumers who are going to watch movies. The lady created a full-brand campaign using digital and print media. We've seen when the lady's involved, our social posts that our metrics are generally better and our participation rates are higher. ... Our income is likely to increase by 8% to 9% this year. The lady was certainly a collaborator. - Marketing Director, Entertainment Company Former clients Oakland Raiders Coca-Cola Netflix AT&T DirecTV Trip Advisor Qdoba Awards Shorty Social Good Award 2017 , Latin America Gold Award 201 9 Ripe Media is a full-service digital agency based in Los Angeles. Founded in 2003, the small team of six specializes in web design, application development and design to create interactive and digital products for its customers. Notable Project A food bank organization hired Ripe Media to redesign its website and update its brand. Ripe designed a new look for her website and created email templates to use for reach. The organization considered that Ripe Media took the time to understand the underlying objectives that motivated the project. They are invested in our company and understood what we needed to develop a personalized look for us. Good was never enough for them; they wanted the final product to be perfect, and they were genuinely interested in our success. - President & CEO, Food Bank Organization Former Disney CBS Honda Fox Broadcasting Awards Webby Awards, W3 Awards, Creativity International Awards 10 Sensis is an intercultural marketing agency integrated with offices in Los Angeles, D.C., Austin and Atlanta. Founded in 1998, the 90+ team offers advertising, research, digital experience, public relations, social media and branding. They develop research-based campaigns that drive their customers' measurable ROI. Notable Project One of Sensis's customers is an energy company that wanted to connect with its community with a bilingual public relations campaign. Sensis organized community events, worked with local media, and designed and produced all advertising material. In many ways, I feel like we're your only customer. I know it's kind of a cliché: the way they've been able to leave everything else, do what we needed and bring in any additional partner, if necessary. They've really done an outstanding job. - Communications Manager, Energy Company Former clients City of Los Angeles Boston College US Department of Commerce Auto Club Speedway Awards 2017 Gold Award: Healthcare Marketing Impact 11 La Visual is a digital agency based in Culver City, California, which was established in 2005. Its team of 11 employees offers branding, UX/UI design and social media marketing services. The remarkable Visual Project helped renew a staff company's branded materials. Using meticulous research on target audiences, industry and competitors, their redesigned the website, business cards, warranties, stationery and other promotional items. The new logo and visual elements garnered favorable reviews. The Visual provided a large study of branded lighting, and the care and concern they gave to the it was exceptional. - CMO, Staffing Company Former clients RGR LLC LemonShark Poké Proteus MomentFeed 12 13 Branding Los Angeles is a full-service marketing agency in Los Angeles, CA. They help their customers, mostly small businesses, build strong brands of social media marketing, web design, digital strategy, and media planning and purchasing. His close team of about 20 employees began in 2008 and he now works closely with companies in the consumer products, healthcare and manufacturing industries. Notable Project A strategic marketing and event management company hired Branding Los Angeles to collaborate with them on customer projects that required branding and marketing expertise. These projects included social media, email marketing, advertising and graphic design. The marketing company appreciated how Branding Los Angeles presented up to five ideas for each project, allowing the customer to choose the concept that best suits their needs. They are willing to be my partner to achieve my goals for my company. They engage with customer objectives and meet. For me, they're worth every penny; that's why I keep working with them. - President, Marketing and Event Management Of Charm Bellini Beneath the Beautiful BiBiGo Brandy Melville Central City Association of Los Angeles 14 Flat 6 Concepts is a luxury boutique brand agency based in Beverly Hills, Calif. Founded in 2008, Flat 6 Concepts and its team of nearly 200 people offer branded services, advertising and marketing. Notable Project Flat 6 Concepts partnered with an interior design firm to design a new logo and redesign its website. Flat 6 Concepts also expanded the brand's makeover to cover the customer's letterhead, business cards and marketing materials. I love business cards and designed a site that makes us stand out. [...] I am happy to show our materials to customers. - Owner, Signature of Interior Design Former Clients Tea Forté Kora Maserati Cyprus MGM Grand Awards 15 Based in Los Angeles, CA, Ad Victorem is a full-service digital agency that was founded in 2017. The small team of about five specializes in branding, web design, marketing strategy and content marketing. Notable Project Ad Victorem provides continuous design and branding services for a small web development agency. They provide the agency with all the creative elements they need, including logos and videos. The association has produced more than 200 websites, and the customer is proud of Ad Victorem to be passionate and dedicated. I stay with them [Ad Victorem] because they always provide high quality and creative design work that really surprises the customer. - CEO of Web Development Agency Former ESPN AMC Nestle Customers Inn & Suites 16 The Miller Group is a digital agency with offices in Los Angeles, McKinney, Texas, and Brooklyn, N.Y. Since 1990, the agency and its 10+ team have been working with a client on the advertising, advertising, industry. The team specializes in branding, advertising and video production. Notable Project A nonprofit hired the Miller Group to put together a strategic marketing campaign. His work included producing television commercials, composing radio ads, and compiling design products for print media. The nonprofit is a retailer, so as a result of the work, they experienced an increase in sales. The customer praises the versatility of the Miller Group. They [The Miller Group] gave us more value than we paid. His unique ideas were bold, but never unpleasant. - Former Marketing Manager, former nonprofit Goodwill Centra Credit Union Lotus Pet Food Wolf Range Company 17 Marc Posch Design is a Los Angeles-based branded consulting and creativity agency. Founded in 2000, Marc Posch Design offers a number of different services such as branding, logo design, web design and packaging design, to name a few. The remarkable Marc Posch Design Project offers the customer's corporate design and website programming for a product that the customer developed. The customer was able to report that within a month of the completion of the project, they received about 30% more incoming calls through their website. It is extremely fast, understanding and very good at execution. - CEO, Databank Solutions Firm Former Customers Apple Nexus Partners Rockley Publishing Hitachi 18 Spectacle Strategy, founded in 2017, is a Denver-based creative strategy consultancy. The company's team of 3 people specializes in branding, marketing research and marketing strategy. They work mainly with mid-market companies in the business services, financial services and consumer products and services industries. Remarkable Project Spectacle Strategy helped a healthy food company with its brand. They collaborated with the customer to help them with their positioning, package design and other marketing materials. After the interaction, the customer received positive feedback from the customer. The brand is now able to communicate more effectively with its audience due to the Show Strategy. After conducting a survey, we saw that our new approach to plant energy nutrition was twice as favorable among our consumers as our previous positioning. - Former CEO, Health Food Company Former customers T-Mobile CarMax Keurig Green Mountain 19 Gelcomm is a consumer branding and research agency based in Los Angeles, California. The agency specializes in providing strategic design solutions. Founded in 1998, the team currently consists of fewer than 10 employees. The remarkable Gelcomm Project refreshed the identity of a consumer goods company. They produced marketing and sales material, such as a guide style and logos. After branding efforts, the products were better received by consumers. They delivered on time and then let my team digest their deliverables. My team often did not adhere to our timeline, but Gelcomm adjusted the schedule accordingly. We build a strong working relationship over time. -Former Vice President of Global Marketing, Global, Goods Brands Former Customers Fandango Kelloggs The Walt Disney Company Procter & Gamble 20 Process AG is a digital agency based in Los Angeles, with an additional office in Sale Lake City. Founded in 2008, its team of around 10 employees specializes in contract management, packaging design and branding. Notable Project Process AG designed the packaging for a fragrance brand. The team assured that the materials met the company's aesthetic and environmental concerns. They also offer out-of-the-box thinking. Our packaging really stands out from the competition. - Executive, Fragrance Brand Former Customers Victoria's Secret Honest Co Nickelodeon Jaybird Goal Zero Gregory Packs 21 Tiny Giants Co is a Los Angeles-based creative brand company with offices in Baulkham Hills, Australia, and Dusseldorf, Germany. Founded in 2006, the company has a team of around ten that provides, among others, branding, video production and digital strategy services to small and middle market institutions. Notable Project A pharmaceutical company hired Tiny Giants Co to create engaging digital assets -- a three-minute video and a two-minute 2D animated video -- that tell the stories of patients and how the company is patient-centered. Tiny Giants Co delivered digital assets within three weeks and exceeded the company's expectations in terms of quality. They are always very creative, very organized, respond well to the brief and are empathetic and affectionate when working with patients and their families. - External Relations Manager, Hillsong AACO Baxter Health Care 87 North 22 Pharmaceutical Company based in Calif., TC Creatives is a branding agency that works with small businesses in the consumer products and e-commerce industries. Since 2014, the team of 10 brings its customers specialties in branding, web design, marketing strategies and corporate photography. Notable Project TCC partnered with a new handmade jewelry company that needed everything from a logo to a website with social media channels. They provided cross-channel branding for the customer and a business plan to help the new company gain lead generation for customer retention. The website is just the beginning of a beautiful business relationship. From there, TCC serves as a dream. Literally helping me build on my imagination of what my business could be! I literally came to TCC for a website. Instead, they gave me a whole long-term business plan. TCC has exceeded my expectations and made me create new ones. - Owner, Handmade Jewelry Company Former customers Yanci Na Gemini Naturals Kiwi's Boutique OMGLO Cosmetics Laughly Harlem Cycle TRG International 23 Thirsty Agency is a creative marketing and branding agency based in Pasadena, Established in 2014, they have fewer than 10 employees and specialize in marketing for brand loyalty brands and lifestyle brands. Its services include web design and development, web, marketing and strategic consulting. Notable Project Thirsty provided brand support and marketing for an international football tour of the United States. The initiative began with an audit of the media consumption of football fans and the customer's target audience. After the evaluation, Thirsty designed marketing guarantees and launched digital and physical media campaigns to promote awareness. The customer tour was a success, and they worked with Thirsty Agency on national marketing from this project. The Thirsty Agency team is one of the most efficient companies we've worked with when it comes to workflow. We commissioned several last-minute projects, and continued to deliver world-class products in the short term. - Marketing Coordinator, former mlb professional football league clients Vics Anfield Shop Forma Supply Co. 24 Robyn & Robyn is a creative branding agency that was founded in 2015. Based in Laguna Beach, California, they focus on branding, messaging and naming strategy. The remarkable Robyn & Robyn Project provided branding services for a staff and recruitment startup. His work allowed the customer to expand their business and move forward. I have received good feedback from customers and potential customers about the quality of my brand and messaging. - CEO, Staffing & Recruiting Startup Former clients Holcomb Petersen Stand For Vets Norman Covan 25 Founded in 2011, Weberous Web Design is a web design agency based in Los Angeles, CA. The small team of less than 10 people specializes in branding, marketing and, of course, web design. Notable Project Weberous developed a website for a wedding planning company that helps couples find unique places to get married. The partnership was collaborative, and the customer experienced a boost in website traffic and leads. I have worked with many companies over the years, but Weberous has a good way to communicate. They are very wise and logical and have a human touch when discussing ideas. - Owner of Wedding Planning Company Former Disney CUSTOMERS HBO Lionsgate xPrize 26 Bordwalk is a London-based branding and design firm. The company was founded in 2015 and its team of 5 also provides application development and user experience services for its mid-market, small business, and enterprise customers. Notable Project Bordwalk designed and built a new online presence and brand for a commercial property firm. They helped the customer increase the number of incoming queries by designing a website that increased traffic. The customer was impressed with their project management skills and the final products they delivered. Everyone loves the brand and website delivered. We haven't had a single complaint. Recently, we have received an increase inquiries and our position at Google - Managing Director, Commercial Property Firm Former customers Mitie Aura Festival Republic, Coal Grill + Bar Ivy Schuh Virgin 27 A creative agency based in Los Angeles, Pill Creative Studio offers branding, web design and graphic design. Its team of less than 10 began operating in 2020, serving small and medium-sized enterprises in the IT, advertising and business services industries. Notable Project Pill Creative Studio designed a brand strategy and logo for a software development company. Responsible for all aspects of the branding project, the team has created guarantees, including PowerPoint slide covers and site design. Their organization and creative skills have made them an excellent branding partner. The design work is extremely high quality, and we have been constantly impressed by how quickly they can offer, especially in the web design project. - Vice President, Vice President of the Meretz Energy Ridge & Honey Films Bad Apple Collective atSwim.tv 28 Party Land Software Company is a creative advertising agency based in Marina Del Rey, Calif. Founded in 2017, the agency has a team of about ten that provides, among others, advertising, branding and social media marketing services to small and medium-sized enterprises. Notable project A beverage company hired Party Land to provide marketing support for the company's brand efforts by helping with marketing campaigns, organizing events and cultural activities, and assisting in the company's response to planned and spontaneous cultural moments. Through this commitment, the company gained extensive press coverage. Normally we needed to deliver something in 24 or 48 hours. They were able to work with us in these situations. - Director of Marketing, beverage company Former customers Pabst Blue Ribbon Google Netflix Erbert & Gerbert's 29 Rogue Creative Development is a marketing agency based in Santa Ana, California. Founded in 2015, its team of 7 employees serves small businesses in a variety of industries. Their specialty is video production, but they also provide branding, marketing strategy, social media marketing and more. Notable Project Rogue Creative Development marks a high-end manufacturer of video equipment. They delivered a new set of logos and provided product naming guidelines. They have also managed the customer's social media accounts. The new brand they have delivered transmits the business in an attractive and effective way. We continue to support that image with new content, and they are a great resource for us. - Vice President of Sales, Video Equipment Firm Former Customers Veracity Real Estate Co Rogue Aviation The Friendship Shelter 30 London: Los Angeles is a marketing agency founded in 20017 with more than 10 members. Based in El Segundo, California, they lend their expertise in advertising, branding and digital strategy to small and medium-sized enterprises in the fields of business and financial services. Notable London project: Los Angeles renamed nad a media group. The group was acquired by another company and therefore needed a re-brand change. The group enjoyed working with London: Los Angeles throughout the project. They are flexible and do everything we ask of them. - Founder and CEO, Media Group Group Cycle Gear Washoe Strike Fleming's Prime Steakhouse 31 clients based in Laguna Hills, Calif., Graphicwise, Inc. is a creative agency that was founded in 2000. With another location in Ho Chi Minh City, Vietnam, they have about ten employees who specialize in SEO, branding, PPC and market research for mainly mid-market customers. Notable Project A weight loss program hired Graphicwise, Inc. to create a branding campaign that fits your company's philosophy. Together with branding services, they created marketing guarantees and a website. The launch of the campaign exceeded expectations, increasing sales and exposure. They care about my success. - Founder, Former USPS NBC SoulScale Fox Sports Nestle Foods 32 The creative and digital marketing company Pace Social Media helps companies distinguish themselves through social media, advertising, branding, content and email marketing. Founded in 2016, Pace Social Media has a team of 10 people working in an office in Los Angeles. Notable project A small consulting firm hired Pace Social Media to help build a business from scratch. The project included logo design, website development and social media management. I wouldn't have a website or social media presence without Ben's work. ... Ben is an exceptional project manager. It's very organized. Whatever I ask you to do, it's done. He just handles it. - CEO, Consulting Firm 33 Funkhaus is a digital creative agency based in Los Angeles. Founded in 2011, the agency has a team of about 15 that provides web design, content marketing, branding, digital strategy, social media marketing and UX/UI design services to small and medium-sized businesses in various industries including art and entertainment, hospitality and entertainment and media. Notable Project A project management company hired Funkhaus to develop a software system designed to help them manage the construction process for their customers. The cloud-based system, including design and visuals, was built from scratch and can be used via an iPad or other mobile device. The system helps the company execute key performance metrics, warehouse information, and integrated builders and contractors for projects. Funkhaus completed the project in four weeks, delivering a work system. We are already generating revenue with our most important customers. It didn't take much to sell this system to customers once it was operational. - CEO, Project Management Company Former clients ICM Partners Imagine Entertainment View Hotels Anonymous Content 34 IN GOOD CO is a brand consultancy based in Venice, Calif. The consultancy, founded in 2015, has team of less than ten offering branding, marketing and event planning services, marketing strategy, packaging design, business consulting and corporate training services to smaller companies and companies in the consumer products and services, retail, legal cannabis, hospitality and leisure, e-commerce and other industries. Notable Notable A group of restaurants hired IN GOOD CO to create an official book of brand guidelines. To this end, IN GOOD CO interviewed key stakeholders to better understand the group's brand, proposing brand adjustments, presenting ideas to build the brand in terms of colors, advertising, packaging and signage, and helping with the branding of their website and email templates. IN GOOD CO completed the project with a 40-page brand book for the group. They respected the original intention of our brand, but added things we hadn't thought about. - Former Marketing Director, former Restaurant Group Belcampo Pinterest #VoteTogether Keds 35 customers based in Los Angeles, Duncllyde is a branding and web agency with a small team of 2. Since 2018, they have specialized in branding, web design, digital strategy and more for a variety of customers. Notable Project Duncllyde updated a website for a cycling company. The team renamed its logo, implemented e-commerce features, and had the site applied to mobile devices. Consultations for the company increased. The team sees things out of the box. - Director, Cycling Company Former clients GOMO Woodfired Pizza Roots Awards Scottish SME

Business Awards (2020), WeDO Scotland Awards 36 Tegra is a full-service digital agency based in Los Angeles, California with a secondary location in Russia. It was founded in 2016 and has 7 employees who specialize in web design, web development, e-commerce development, UX/UI design and social media marketing Notable Project A professional audio equipment producer hired Tegra to develop a digital promotion campaign for her 20-city tour. The tour was to highlight a new product of his, for which Tegra provided brand and color schemes. The digital effort included building a website with a map built into the landing page, allowing users to find the location of the nearest route.
